

Verbal/Linguistic (Word Smart)

Write an acrostic poem that describes the object from the still life that you drew.

Kinesthetic (Body Smart)

Reach into a mystery bag and touch the object without looking at it. Try to draw it using only your sense of touch.

Visual/Spatial (Art and Space Smart)

Draw the negative space around your still life object.

Interpersonal (People Smart)

Cut up one of your drawings into puzzle pieces and work with a classmate to put it back together.

Logical (Math Smart)

Put the art image postcards in order from oldest to newest, and then draw a timeline to go with them.

Intrapersonal (Self Smart)

Write an artist's statement about your drawing and what it means or represents to you.

Technological (Computer Smart)

On your iPad, create a 100-frame stop motion animation involving your still life object.

Naturalist (Nature Smart)

Look out the windows and use your powers of observation to draw one nature object you see outside.

Musical/Rhythmic (Music Smart)

Create a short rap about your still life object and how you drew it.
