

# 10 Creative Process REFLECTION QUESTIONS

1

What time of day do you have the most energy?

2

When do you feel the most creative?

3

Describe the type of environment that you prefer in as much detail as possible. Think about size, color, sound, and smell.

4

Do you like to work on several projects at a time or on one from start to finish?

5

Do you prefer working from your imagination or from observation?

6

How do you like to capture and record your ideas?

7

Do you have a point in the artistic process where you always get stuck? What helps you to get started again?

8

What kind of music do you like to listen to as you work?

9

Where do you find inspiration?

10

Do you have any habits or rituals that you like to do before you start working?
