

What do the National Standards ask us to evaluate?

	Exemplifying Behaviors
Creating	Generate ideas, solve problems, make decisions, innovate, communicate ideas, develop art-making skills
Presenting	Categorize artwork, curate, develop a portfolio, evaluate collections of work, think about how/why work is displayed
Responding	Interpret artworks, analyze responses, evaluate visual images, find meaning, develop criteria
Connecting	Make artwork from personal experiences, analyze how culture and place inform art
