

# CRAP-O-METER QUIZ

## How Much Art Teacher Crap Are You Dealing With?

- 1 You can remember at least three times when another teacher has referred to their class's time with you as "planning time." ----- **5 points**
- 2 You teach with people that constantly try and "borrow" your stuff. ----- **5 points**
- 3 You've taught on a cart or in a room with no sink. ----- **5 points**
- 4 You are currently without adequate teaching or storage space. ----- **5 points**
- 5 Your last PD session put you to sleep. ----- **5 points**
- 6 You've had a supply budget made up of fewer dollars than the number of students you teach. ----- **5 points**

## RESULTS

**10 - 20 points**

### A MODERATE AMOUNT OF CRAP

You're dealing with all kinds of crap but keeping your head above water. Look for ways to manage the crap thrown your way to keep from feeling overwhelmed.

**0 - 10 points**

### JUST A LITTLE CRAP

You're dealing with enough crap to annoy you on a daily basis. If you have 0 points, we want to know where you work and if we can have your job!

**20 - 30 points**

### MOUNTAINS OF CRAP!

You deserve a crown for the piles of crap you deal with on a daily basis. Consider if it might be time to look for a new teaching position. At the bare minimum, brainstorm how you can take some of the crap off your plate.
