

# Animation

# CHOICE BOARD

## VERBAL/ LINGUISTIC

.....

Choose an animation style.

Create a presentation about the history of that style of animation.

## LOGICAL/ MATHEMATICAL

.....

Research geometric art patterns.

Create a geometric GIF animation using symmetrical design.

## INTRAPERSONAL

.....

Choose your favorite animation style.

Using your program and subject of choice, create a new animation.

## INTRAPERSONAL

.....

Team up with a partner.

Each person will create one animation.

Collaborate to bring the animations together.

## FREE CHOICE

Create any animation of your choice.

## VISUAL/ SPACIAL

.....

Find an iconic animation.

Recreate it using your own style and influences.

## BODILY/ KINESTHETIC

.....

Record actions you would like to be used in your animation.

Use that video footage to create an animated animal animation.

Option: Do this as a group.

## NATURALIST

.....

Using recycled & natural materials, create an outdoor animation in the style of your choice.

## MUSICAL/ RHYTHMIC

.....

Create an animation and set the speed of the key frames to the beat of your favorite song.
