

# CURRICULUM INVENTORY TOOL: CREATIVITY & DECISION MAKING

Review each of your assignments and indicate with a checkmark (✓) the level of choices the students make throughout the process. Add up the total number of checkmarks in each column. Then, answer the reflection questions below.

Project Title	Student made decisions on 0-1 of the following: subject matter, media, technique, style, composition, size	Student made decisions on 2-3 of the following: subject matter, media, technique, style, composition, size	Student made decisions on 3-4 of the following: subject matter, media, technique, style, composition, size	Student made decisions on 4 or more of the following: subject matter, media, technique, style, composition, size
<b>TOTAL:</b>				

## Reflection Questions:

How important is student creativity and decision-making to your teaching and the student experience?  
 What trends did you notice in how projects are structured?
