

UNIMAGINABLE ITEM

CREATIVITY CHALLENGE

One way to think more creatively is to tap into your imagination. Can you use the design thinking process to develop something totally novel? Give the activity below a try to find out!

DIRECTIONS

- 1** Choose a prompt below.
- 2** Draw a detailed response in your sketchbook, and answer the following questions.
 - If you were to create this, what would be the constraints you would have to consider?
 - If you were to create this, what materials would you use?
- 3** **Bonus:** Make a short video to pitch your idea.

PROMPTS

- Create a coat for a chilly cactus.**
- Help a short-necked giraffe reach the tree leaves.**
- Develop a chair for an octopus.**
- Design a slipper for an elephant.**
- Create a watch for a ghost.**
- Develop a nail polish line for cows.**
- Design a treadmill for a worm.**
