

# DISTANCE EDUCATION ACCREDITING COMMISSION

## STUDENT ACHIEVEMENT DISCLOSURE FOR THE PUBLIC

DEAC accredited institutions offer a broad array of instructional programs and student support services to meet a highly diverse student population's varied educational and professional goals. Institutions determine appropriate performance criteria to measure the success of their students in achieving their goals in the context of the institution's specific mission and scope. You will find below (1) a summary of how this institution measures student achievement in the context of the institution's mission and educational programs and (2) student achievement metrics that the institution believes best reflect student and program performance. For more information about DEAC standards and requirements, please visit [www.deac.org](http://www.deac.org).

### Summary of Institution Mission and Student Achievement

The Art of Education University provides rigorous, relevant professional development to teachers at every stage of their career.

AOEU offers individual online graduate-level courses and a flexible, 36-credit online master's degree. Course offerings are relevant, affordable, and driven by best practices in the field of art education.

The Art of Education University measures student achievement using direct and indirect performance indicators. Key data points indicating student achievement at AOEU include course completion rates, Capstone Readiness Exam pass rates, graduation rates, and student satisfaction survey data.

### Aggregated Institutional Data on Student Achievement

2022 Successful Course Completion Rates: 86.4% (3,372 unique enrollments)

2022 Capstone Readiness-Exam pass rates: 97.3% ( 225 students)

2022 Student Satisfaction Survey Data: 95.8% (2,515 students)

Graduation Rate- 69%\*

\*The recommended timeframe from the first course enrollment to graduation is two (2) years, although students can take up to five (5) years to graduate. The rate above indicates the percent of all students beginning the program at any point in 2019 and completing the degree by the end of 2022.
